PROFILE

Results-driven Digital Marketing Professional with 1.8+ years of cross-functional experience managing end-to-end marketing operations across multiple brand portfolios. Proven ability to architect and execute performance marketing strategies encompassing SEO, Meta Ads, social media, influencer marketing, and content development. Experienced in deploying Zoho CRM workflows for lead pipeline optimization, integrating Knowlarity cloud telephony for enhanced conversion efficiency, and developing WordPress-based brand websites aligned with SEO best practices. Strong background in bridging digital performance with traditional marketing channels including television and B2B trade exhibitions.

WORK EXPERIENCE

Garudadri Technologies Pvt Ltd (Digital Marketing Executive)

OCT 3,2024 – FEB 14,2026

- Executed and optimized Meta Ads (Facebook & Instagram) campaigns for lead generation, brand awareness, and conversion objectives.
- Set up and managed Meta WhatsApp Cloud API via Meta Developers for bulk messaging campaigns and customer engagement workflows.
- Performed SEO activities including keyword research, on-page optimization, content updates, and search visibility improvements.
- Implemented ASO strategies to improve app visibility and organic downloads.
- Managed WooCommerce marketplace operations including seller onboarding, store setup, and product listings.
- Coordinated order processing, shipment scheduling via Shiprocket, and operational workflows.
- Handled WordPress backend updates, content uploads, and website maintenance.
- Created branding creatives, video ads, and social media content to maintain consistent brand communication.

Ecoline Infra Pvt Ltd – Duroguard Steel Doors (Digital Marketing Executive)

FEB 17,2026 – PRESENT

- Managing integrated marketing operations across 5 brands — Duroguard Steel Doors, Durovault, Duroframe, Durosmart, and Duroholz — spanning digital and traditional channels.
- Executing on-page, off-page, and local SEO strategies to strengthen organic search visibility and drive consistent website traffic growth.
- Planning and managing Meta (Facebook & Instagram) ad campaigns for dealer acquisition, franchise lead generation, and consumer outreach with continuous performance optimization.
- Managing social media presence across all 5 brands including content calendar planning, community engagement, and brand consistency.
- Creating multi-format brand content including reel scripts, static ad copy, blog articles, and website copy tailored to each brand's target audience.
- Managing lead pipelines via Zoho CRM with workflow automation, lead tracking, and cross-functional sales team coordination.
- Integrating Knowlarity cloud telephony with digital campaigns to optimize lead response time and improve conversion efficiency.
- Building and maintaining brand websites on WordPress with integrated on-page SEO and technical performance standards.

- Coordinating influencer marketing campaigns to expand brand reach and drive audience engagement across relevant niches.
- Raising and managing Google Support tickets for Google Business Profile troubleshooting, verification escalations, and local search optimization.
- Supporting TV advertisement production and brand representation at industry expos and trade exhibitions.

PROJECTS

KisaanCart – D2C Agri Marketplace (WooCommerce)

- Onboarded sellers by guiding them through account setup, store creation, and ensuring accurate business information on the platform.
- Managed the WooCommerce dashboard including product listings, pricing updates, inventory tracking, category structuring, and catalogue accuracy.
- Oversaw daily order operations including Shiprocket scheduling, shipment coordination, and real-time seller order updates.
- Executed Meta Ads campaigns and supported WhatsApp campaign workflows for customer engagement and lead generation.
- Planned and managed KisaanCart's social media content calendar, posting strategy, engagement handling, and brand communication.
- Provided end-to-end seller support from onboarding to order dispatch, ensuring smooth operational workflow.
- Managed end-to-end WooCommerce marketplace operations handling 200+ sellers.

Kovai Prana Yoga – Website & Brand Support

- Managed WordPress backend content updates, page modifications, and service updates to maintain website structure and accuracy.
- Designed branding materials including posters, business cards, letterheads, flex banners, and promotional creatives.
- Coordinated with the development team to ensure platform stability, timely updates, and smooth content flow.

EVES Education & Consulting Solutions – Digital & Creative Support

- Designed and supported Meta (Facebook & Instagram) video ad creatives for brand promotions and course marketing.
- Assisted in campaign setup by defining objectives, selecting target audiences, uploading creatives, and monitoring performance in Meta Ads Manager.
- Created engaging branding visuals and promotional materials aligned with company identity.
- Performed video editing for branding, promotional ads, social media reels, and marketing campaigns to improve engagement and visibility.
